The Sound Design computer program and the accompanying documentation are provided to the End-User by Acoustics Central Limited ("Licensor") for use only under the following terms and conditions. The Licensor reserves any right not expressly granted to the End-user. The End-User or entity employing the End-User assumes sole responsibility for the installation, use and results obtained from use of the Software. If computers on which the Software is installed are also used by persons other than the End-User, the End User or entity employing the End-User is responsible for ensuring only Sound Design License Holders use the Software.

The initial installation of the software is a trial edition. You may convert your trial rights at any time by purchasing a License Code from Acoustics Central. After the expiration of the 30-day trial period, without conversion, the trial software will stop running.

The End-User acknowledges that unauthorized use of an End-User License Code is harmful to the Licensor.

ONLY THOSE HOLDING SOUND DESIGN LICENSES ARE PERMITTED TO USE A LICENSED VERSION OF THE SOFTWARE. IT IS THE RESPONSIBILITY OF THE END-USER AND ENTITY EMPLOYING THE END-USER TO ENSURE OTHER INDIVIDUALS EMPLOYED BY THE SAME ENTITY ABIDE BY THIS. This License is effective until expiration or termination.

At the expiration of a time-limited license, if the End-User or entity employing the end-user chooses not to renew the license, the End User must desist from using the Software immediately, and uninstall the software from any computer used by the End-User.

This License will terminate immediately without notice from Licensor if the End User or entity employing the End-User fails to comply with any of its provisions. The End-User may terminate this License at any time by doing so carrying out the same actions.

5. Transferring of Licenses.
